Raising Readers: A Unique Reading Workshop at DLFPS

DLF Public School, Sahibabad, hosted an impactful reading workshop in collaboration with Karadi Path to empower parents and educators in fostering confident and eager readers. With a turnout of 200 parents and teachers, the workshop aimed to equip them with effective tools and strategies for nurturing reading skills at different stages. Recognizing the pivotal roles of parents and educators, the school has devised a comprehensive reading program, reflected in a thriving culture of reading and over 350 published student authors. Principal Seema Jerath emphasizes the school's commitment to building strong reading foundations and instilling a lifelong passion for books and critical thinking in students.
